SIR

SUBJECT - Arsikere drainage

I have the honour to state that Government in their order No L 414-16/M1 ,72-28-12 dated 12th July 1930, sanctioned an estimate amounting to Rs 4,265/- for providing pipe sewers at the out falls of the main drains in Arsikere town

Owing to financial stringency and absence of grant from - Government the Municipality could not execute the work The sanction of Government has therefore lapsed

They are now anxious to take up the work Government have been pleased to make a grant of Rs 2,000/- out of 30 Grants for - Public Improvements in the current year's budget The Municipality have credited the full amount of the estimate into 17 (a) P W Deposits

In the Government Order adverted to above it is stated that no provision has been made in the estimate for the acquisition of -- certain lands required for the work

Tenders for the work have been called for The tendered rates are lower than the estimated rates There will thus be savings, which it is understood are enough to meet the cost of acquisition of land

I request you in the above circumstances to be so good as to move Government to renew the sanction to the estimate
The estimate is enclosed

I have the honour to be,

Sir,

Your most obedient servant,

Director of Health
